PROFESSIONAL SUMMARY

I am a dedicated Data Analyst who leverages data analysis to enhance business efficiency and solve complex problems. With strong data cleaning, visualization, and statistical analysis skills, I focus on extracting valuable insights to support data-driven decision-making. Proficient in Excel, SQL, Python, and Power BI, I analyze large datasets, track performance metrics, and identify trends that optimize processes and improve productivity.

WORK EXPERIENCE

1. DELOITTE AUSTRALIA DATA ANALYTICS JOB SIMULATION ON FORAGE - May 2025

- Completed a Deloitte job simulation involving data analysis and forensic technology
- Created a data dashboard using Tableau
